

JEANETTE MACDONALD & NELSON EDDY

Long Island, NY Meeting

Australian baritone Chris Herden is in NY for a short visit and will join us for an afternoon event at the home of our club member, Maria Lourdes Escano. Maria is kindly providing lunch so there is no charge for this event! Chris is writing a musical show based on the Jeanette-Nelson story to be produced in

Australia and this is a great opportunity for him to meet the American fans and get our input on all things Jeanette and Nelson. Chris will also sing for us. The afternoon will include a Q&A, book signing, film and interview clips.
